

Dev Digital Network – T/C

Note -1) Important – Terms & Condition – If your content, lyrics, writer, composer, voice is not original and still you submit it for uploading, then we will not be responsible for that. Whatever case will be filed against you, you will be responsible for that.

2) We will file a **case against** you without informing you if you re-distribute any songs distributed through our service

1) **(UPLOADING)** We are strictly against copyrighted content Artwork issues (not in format), you will not get any mail/notifications because we have already mentioned in terms regarding Artwork and Audio format. Users have to read the terms before uploading. Also apart from official website, we have mentioned the terms and norms on our social platforms.

2) Audio duration should be minimum 1 Min. And should be in (.wav) format.

3) Album Artwork should be 3000*3000 pixels and contain only Content and Singer/Artist Name. If not in given format, we will not continue the distribution. And don't mention the – HD Video, 4K HD Video, Coming soon, Out Now, 1080 Ultra HD, address, Barcode, mobile number, release date, and platform name/logo in the artwork.

4) We will not takedown the song after publishing for at least 6 months. For Example : If the date of release is 30 June 2024, takedown will be done after 6 months that is after 31st Dec 2024. (If you still want your song to be deleted then you can send us a personal message – support@devdigitalnetwork.com)

5) Approval time will be 24 hours to 72 hours. Approval means review of content, doesn't mean that content will be live in 24 or 72 hours.

6) TAT – It takes 2 days* to 7 days* to be live on platforms. Few Platforms take more than 5 to 7 days*.

7) Caller tunes/Hello Tunes will activate in 5 days* to 9 days*. Only for (Gold Plan) users

8) Saturdays and Sundays – uploading the content on servers of platforms will be closed. (Suppose, your release date is 10th, better is to give content on 2nd or 3rd of the same month. Means 7 days* prior)

9) Holidays – Saturdays, Sundays and other government/national holidays (Holidays will not count in TAT).

10) Artist/Singer name on Artwork should be same as given name of Singer/Artist above.

11) For Explicit Content, Caller Tune is Prohibited.

12) Minimum Royalty Should be ₹300/- or \$7 to transfer from dashboard to your account.

13) One Page Uploading Dashboard will be provided to only verified members (Labels/Artists)

14) To get Label plan, min of 10 original songs should be require in the starting to verify the Label and their originality, just to avoid the frauds and scams. And the same applies for the Artists Dashboard. (From the 7th July 2024 we have implemented these terms and condition on everyone)

15) If you are a new singer and your account is not created anywhere, then choose a name to create your account and keep its first letter capital and keep the rest in small letters. Example – (New Singer), (Indian Singer) 16) Do not submit your song without checking it. No correction will be made later, be it audio change, artwork change or credit change.

17) If you select **(original)** and upload copyrighted content. we will take legal action against you

18) We use Believe Music, FUGA for music distribution, mentioned in website & Instagram page bio, please check it for more information

19) From 20-08-2024 we are changing the new plans uploading timing 1-7 days, The load is high due to high release

20) Whatever question you have, you can mail us. Please discuss only important matters on WhatsApp and call. Mail – **(publishing-department@devdigitalnetwork.com)**

21) Please don't make such a mistake, it will waste our time

22) If you are submitting the song without thinking and agreeing to the terms & conditions, then we will not be responsible if any mistake is made and there will be no correction later.

23) After submitting the song, we put it on processing, so if you make any mistake or want to change the artwork or audio, it will not be changed

24) We only fill the credit of the writer, composer and singer. The producer's credit is not filled. It is done by the platform.

25) The song will not go live in 2 days if Saturday or Sunday comes in between

26) Please check your singer name, if any other ID matches your name then your song will be added to their profile, we can't do anything about it, it's your responsibility that you have used their name. In this case, we can only mail to the platform and we do not guarantee that your new ID will be created with this name.

27) In singer's name **(Maths 1234)** is not allowed only **(alphabet ABCD)** is allowed

28) Please rename the artwork and audio with the actual title so we don't have any trouble making changes – In the rename, Wave, MP3, Final, Mix, should not be written, only the title of the song should be written

29) If you are a new singer and your account is not created anywhere, then choose a name to create your account and keep its first letter capital and keep the rest in small letters.
Example – (New Singer), (Indian Singer)

AI based/generated content not acceptable, if its found similar to any music, lyrics, composition, instrumentals, or any singers voice.

If the Song/Album is rejected due to Audio or Artwork issues (not in format), if you will not get any mail/notifications, we are not liable to do because we have already mentioned in terms regarding Artwork and Audio format. Users have to read the terms before uploading. Also apart from official website, we have mentioned the terms and norms on our social platforms.

Do not upload songs without reading the terms on this page as well as on submission page. If anything happen related to content/Song, we are not responsible for that or anything related to that.
